The Chore Challenge

Find out for yourself what it's like to do one of the chores that children featured in the *Circle of Friends* do on a daily basis.

Step 1 – Choose one of the chores from the table

Step 2 – Think about what you might need to know or have in order to be able to do the chore.

Step 3 – Talk to your Mum or Dad about doing the chore and plan with them how you will do it and when, as well as how long you will be responsible for doing the chore.

Kunthata Benson Benwell Yosofati Jessie Lute Chimwemwe

Find out about their lives and the chores they do by going to www.worldvision.org.nz/circleoffriends and select *Circle of Friends* from the left-hand menu.

Read the information about each child by clicking on their name and see them doing their chores by looking at their photo album (you will find their photo album on the right hand side of each child's web page).

Once you've done this then complete the table below by ticking the chores that each person does.
