

Make-a-toy challenge

Are you up for a challenge? Be creative and make yourself a toy from materials you have at home. No shopping allowed!

Many sponsored children make their own toys from all kinds of materials they find around their own homes. Making your own toy and playing with it is double the fun.

For great ideas and to see some of the toys sponsored children make, check out the Playtime photo album at www.worldbuddies.com/funzone.

Other Worldbuddies would really love to see your toy.

Email info@worldbuddies.org.nz with a photo of your toy. Tell us how you made it, what it's been like to play with, and what you've learnt from this challenge. We'll post your photo on the Worldbuddies webpage so everybody can see it.

Wordfinder

Words are great fun. Do the wordfinder! Go to www.worldbuddies.co.nz and check out the Playtime photo album on the funzone pages to see what kind of games some sponsored children enjoy. Make sure to read the captions of the photos carefully. Find the words written in bold and complete the wordfinder puzzle below. Come on, give it a go. It's easy!
