

think spot #1

Hey Worldbuddy, did you know that you are a change agent? By being a Worldbuddy you are helping make life better for your buddy, their family and their whole community. That's cool. But there might be days when you forget why you became a Worldbuddy and why being a change agent is so important.

So to remind you, finish one or both of the sentence starters below and then cut them out and put them on your Worldbuddies pinboard or fridge. You can add extra thoughts later too.

Other New Zealand Worldbuddies would like to read about what you are doing too. So if you send us an email and attach your **Think Spot** activity we will put them on our Worldbuddies web pages.

Just email us on info@worldbuddies.org.nz.
