

think spot #7

Did you know?

When you lend a hand by sponsoring a child, like your Worldbuddy, one of the important things that World Vision does is to help their community get enough clean water.

To find out more about how child sponsors like you helped a community in Niger, Africa, get enough clean water for everyone go to: www.worldvision.org.nz/watermatters

You may also like to loan the *Water for All* DVD. To loan a copy email info@worldbuddies.org.nz

Spend some time with your Mum or Dad thinking about what it would be like not to have clean water.

Without enough clean water you would get thirsty, your clothes and your body would become dirty and nothing would grow in your garden.

1. Draw a picture of what this might look like.
2. Then think about what it would be like if someone came along and helped you get water.
3. Draw a picture of how things would change.
